Suffolk County Legislature Presiding Officer William J. Lindsay celebrated Earth Day in Sayville with many friends and volunteers on Saturday, April 30.

Presiding Officer Lindsay greeted community group members in Keep Islip Clean, Reflective Gardens at the Common Ground and the Sayville Gardening Club. Lindsay also discussed environmental concerns with the Students Working For Enhanced Environmental Protection (SWEEP) Club from Sayville High School with Co-Advisor Maria Brown.

“It was wonderful to see so many families and young children working to keep our world a beautiful place,” said Presiding Officer Lindsay. “After the harsh and damaging winter we’ve just endured, I continue to encourage our friends and neighbors to join us and be a part of this global effort.”
